## From the Commodore

The new balcony is open and what a splendid day it was for the opening ceremony. While rain fell elsewhere up and down the coast we were blessed with good wind for the Cove Cup and sunshine. It was a pleasure to see some many of us together to celebrate Hugh de longh and Brian Shaw, who have worked so hard on the planning and fund raising to make it happen, finally cut the ribbon. It was equally pleasing to award the trophies for the Cove Cup and the Ken and Mary Grindle Award for outstanding contribution to the club for 2011 to Brian Shaw.

The Jubilee weekend is set to be another busy time of sailing and socialising. East Dorset Sailing Club are visiting us on Saturday for a barbeque, all welcome to come and join in – bring your own food for an informal evening. Sunday sees the parade of sail (by motor only) in Weymouth Harbour. Anyone is welcome to join in – assemble in the bay outside the harbour at 10:45 and line up behind Bill Barker in Flair II. Our dinghies will also be parading across the bay in the Jubilee Race starting at midday from the committee boat. The weekend then builds to a real crescendo with a pursuit race on Monday at midday and Barbeque and Beacon in the evening. Currently there are over a hundred booked for the evening. Please let Richard and Debbie know if you are planning to come and not yet booked.

We have a couple of cup races this month, the Allan Welling Cup and the hotly-contested Ladies Race – I do encourage you to join in and have a go or just come down and celebrate the winners afterwards.

Sail for Gold is also upon us so we can expect busy waters during the first week of June. We also have in invitation for any of our Race Officers to join the Sail for Gold race teams to see how it's done – details elsewhere in the newsletter. Following Sail For Gold we are expecting our teams to arrive in quantity so the club is about to get busy for the build up to the games.

Looking further ahead the Olympic torch relay is passing through Weymouth on the 12th and 13th July, but the 1948 torch will be visiting the club for lunch on Sunday 8th July.

Happy Jubilee everyone!

Time is flying by it seems, June is already here, and the sailing season is well underway, it is great to see more boats getting out on the water. Friday evenings are now getting busy as well, it's great to see all the kids out on the water, although the weather man could be a little kinder to the Cadets!

The weekend of the Cove Cup was a wonderful celebration, the weather man did play ball, a great race and then a great party to open the balcony, thank you to everyone for making it a great event. Well done to Sam Pascoe and Alex Knight for winning Class 9 of the Cove Cup. And for our first two-handed event of the season a great weekend turnout for keelboats, with Bill Barker and Terry Ridyard taking the Cup – I know a lot of people said it was hard work but everyone I spoke to had a big smile on their face! Next two handed is the Allen Welling in a weeks time so come and find out what your missing out on if you weren't there!

Well done to all who won series that ended in May/April: Nick Griffin, Kev Francis/Phil Male, Sam Pascoe/Alex Knight, Rob Smith, Des Quick/Jenny Guest, Bob Turner, Ted Clabburn, Sam Barker.

This weekend sees a number of events:

Sunday:

- Parade of Sail up Weymouth Harbour – 11:00
- Dinghy Race at 12:00

Monday:

- Dinghy Pursuit Race – 12:00
- Jubilee BBQ – Evening

Rest of June:

- Allen Welling – 10th June
- Keelboats 2 Handed – 11:05
- Dinghies – 9 Sprint Races - First Start 11:05
- Ladies Race – 23rd June
- RTI Feeder Race – 28th June

## **Catering at the Club - Now including SATURDAY!**

The club is now open to members and their guests late morning to 4pm... Monday to Friday for snacks and light lunches.... And from 9.30 -12.00 midday for "Brunch" on Saturday followed by the bar opening 4pm to 6pm with a selection of Paninis

Make use of our new decking area.... Have a walk along the Rodwell trail and call in for a break.. and join a myriad of Olympians from around the globe!

Many thanks,

**Martin Lee**

## **Mooring Store is not a play-ground**

The mooring store contains many trip hazards that could lead to a serious injury. Please ensure your children do not venture into the mooring store area.

---

## **Old Steps are out of bounds**

Please note that the old steps that run from the flag pole down to under the balcony are not safe for use either as a short cut or as a play area. Following an accident last month, the wall at the bottom has been increased in height and there is to be no admittance to this area.

The Flower Bed Tender can be watered from above until next winter when it is proposed to construct a decked area from the flag pole to the balcony covering a rain water collection tank.

---

## **Balcony is a NO SMOKING area**

Now that the balcony is open, this is to remind everyone that the balcony is a public space and like the garden is a NO SMOKING area.

## **Missing Battery Charger**

If somebody has borrowed the Halfords Battery charger from the Club could they please return it or contact Bob Todd.

## Olympic Stickers

Every boat at CCSC must display the usual 'Seasonal' Portland Port sticker. Boats and tenders without the Portland Port sticker may be removed without further notice.

This year, if you intend to sail out of the harbour during the Olympic period your boat **MUST** display an additional sticker. Boats failing to display the Olympic Sticker will be shot (probably).

### Who WILL require an Olympic Sticker

Any boat wanting to pass through the gates at WPNSA or between the North Entrance and the field of play (the gates at the crossings between the Olympic sailors and normal traffic).

Any boat arriving from the Sea

Any boat wanting to leave the harbour

Any boat wanting to leave the harbour and return

### Who WILL NOT require an Olympic Sticker

Boats wanting to sail, motor, row, paddle etc in the light blue area of Portland Harbour during Olympic racing will not need a sticker (providing they don't want to cross the gate at WPNSA).

Boats wanting to club race in Portland Harbour once the Olympic racing is finished for the day (Again providing they do not want to attempt to leave the area).

Up to 1st July the club will order Olympic stickers for boats that will need one, provided you let me know, preferably by email. After 1st of July we expect stickers will have to be obtained direct from Portland Port but we may have more details on this later in the year.

## YCW - Skandia Sail for Gold 2012

Dear All

Just following up from the meeting I attended earlier this year.

I made the offer for Race Officials from the Yacht Clubs of Weymouth to be involved with Skandia Sail for Gold 2012. However I have not heard anything, so not made any plans. If you do have any Race Officials who would like to observe, please let me know ASAP. (email, or call 07901 822844).

The regatta is looking like being another big event, although not quite as big as last year. Currently just over 550 boats / 770 sailors. The media interest is very high for obvious reasons!

Please could you let me know of any of your club's racing plans during the week? I will endeavour to pass this on to our Race Teams who will do their best to bear these in mind. I attach a very rough course area information diagram. The Harbour is particularly tight on space with 2 course areas and we are working with Portland Port on their shipping movements too.

I hope you seasons are progressing well so far and look forward to seeing you either at the event (welcome to come and visit), or at some stage in the future.

Regards

Tim

## Local Notice to Mariners

WEYMOUTH & PORTLAND BOROUGH COUNCIL

WEYMOUTH HARBOUR  
Notice to Mariners No 5/12(T)  
WEYMOUTH BAY FIREWORKS DISPLAYS

Mariners are advised that the 2012 fireworks displays will take place in Weymouth Bay on the following dates and times (subject to change):

Mon 04 Jun	2200	(Queens Jubilee event)
Thu 12 Jul	2130	(Olympic Torch event)
Fri 27 Jul	TTBA	(Olympic Opening Ceremony)
Wed 15 Aug	2130	(Carnival day)
Mon 27 Aug	2130	(Paralympic flame event)
Mon 05 Nov	1920	

The displays will be fired from the vessel Sea Otter or other suitable vessel.

A total exclusion zone will be established with a radius of 250 metres centred on the fireworks vessel. All craft and personnel including bathers must keep clear for the duration of the display.

Mariners are also advised to keep well clear of the fireworks vessel until it is safely returned to its mooring.

The safety implications contained within this Notice to Mariners will apply to all subsequent fireworks displays in Weymouth Bay until further notice.

NB. Owners, Agents, Charterers, Marinas, Yacht Clubs and Recreational Sailing Organisations should ensure that the contents of this Notice are made known to the Masters or persons in charge of their vessels or craft.

### **Requesting Garden Volunteers**

Since suffering a badly fractured wrist, I am not able to do very much in our Club garden. We have four grass areas which need cutting weekly at this time of the year, so I am hoping to form a team of volunteers to keep the lawn and banks tidy. We have two electric flymows and an electric strimmer kept in the garden store. Of course there are lots of other garden tasks throughout the year and any help would be appreciated.

If anyone is willing to help keep our Club looking tidy and attractive, please contact me (Rosemary Spicer) on 01305-782125

### **Lost Laser Radial bottom mast section**

Calling Laser sailors, especially those at the club last Wednesday & Thursday

Lost laser radial section  
From my laser (middle/bottom of the rack not backing the bank)

Last used on Wednesday 23 May, it had disappeared by Friday am 25 May

Also Rupert TS's top mast section disappeared over the winter.

My fingers are crossed that I forgot to pack it away and someone has popped it in their boat for safe-keeping.

Steve Rose, Malcolm Lofts Mike Clarkson – did any of you see it please?

Thanks

**Diana Gill**

## Wyke Square Barn Dance (free) 3 June

## Two CCSC Cadets win IAPS National Sailing regatta with 4 straight wins

The IAPS National Sailing Regatta took place at WPN-SA during the 17th and 18th May 2012. In the Under 13 competition Ossian and Yann Bracegirdle finished having claimed first position in all of their races and beating last year's winning crew from University College. Well done!

## Queen's jubilee

The Season is Marching on and if you have not turned your calendars over for a quick look at June yet you may not know that this year The Queen is celebrating 60 years as Monarch.

To mark the occasion at Castle Cove sailing club we are planning to hold a Barbecue and Bonfire on the Monday 4th June starting at 7:30pm with the aim of lighting the bonfire at 9:00pm

To help to keep the ticket price down we are proposing to ask you to bring a salad with you but we will supply the cooked part for £5.00

I hope you can join us on what will be a night to remember.

To book please add your name to the attendance list in the Club house or contact Richard Bowers Rick. Bowers861440@gmail.com or on 07795 025611

## Olympic Berthing

Dear Sailors/Yachties/Motorboaters .....

The Olympic torch has arrived and it is on its way around the country, being viewed by thousands. On Friday 1st June it is 56 days to go to the Opening Ceremony and 58 days until the first sailing event. If you receive this on Wednesday 30th May it is 60 days to the first sailing event. So when you are celebrating the Queen's Diamond Jubilee this weekend spare a thought for your plans for being a part of the Olympic experience. There will be no better way than taking your boat to Weymouth to enjoy the excitement both on and off the water. Now the weather has brightened Weymouth is looking spectacular and is ready to host you.

Therefore, do not delay! Log on to the Weymouth Harbour website and book now at the following link:

<http://harbour.weymouth.gov.uk/London2012/>

There are only limited berths so do not leave it any longer – 60 days to go! If you have already booked, thank you.

Frequently Asked Questions can be viewed online using the same link above. Outside of the Olympics window (16 July – 12 August) it is business as usual at Weymouth Harbour.
